

CASA PENEDÈS

A 45minuts de Barcelona

An aerial photograph of a rural landscape. In the foreground, a large vineyard with rows of grapevines stretches across the left side. To the right, a two-story yellow house with a tiled roof and a smaller white building are situated. A dirt road winds through the scene, and a white car is parked near the buildings. In the background, rolling hills covered in dense green trees rise under a bright sky. Sunbeams radiate from the top left corner, creating a warm, golden glow over the entire scene.
